FALL 2020 NEWSLETTER

DIRT AND DECOR

Designs, LLC

HEY YA'LL, IT'S FALL!

What a wild, fast, and fun season it has been! We still can't believe it's already September!! DDD wants to thank each and every one of you so very much for your continued love and support! We feel so lucky to have so many amazing clients. There is nothing more enjoyable than increasing the gratification in your homes, businesses, and garden spaces. So a heartfelt thanks to YOU.

#loveyourspace

WHAT'S NEW

This season we got to focus on building DDD as a single owner, woman-run business. It has been exciting, challenging, and we are proud to be heading where we are going! New this season- We are now offering soil sample testing (getting back to my ROOTS), building wood sheds, flower bouquets, and men's shirts. New with the business- Countless tools, official payroll, and an AMAZING new team of hard working lovely individuals. A huge shout out to this dedicated team who worked so hard all summer to make all your outdoor spaces come to life! Welcome to the team Bradley, Corrine, Doug, and Laura x 2!! And as always an amazing thank you to Noelle our site manager- you all rock and we couldn't do it without you!

GARDEN TIPS

Most people think of fall as the ending of the growing season, and in some ways it is. However, it is also the best time to plant trees and shrubs. The warm soil and cooler weather gives plants plenty of time to establish strong root systems before next season's heat, so get planting! Fall is also the best time to plant bulbs such as tulips, daffodils, crocus, and many more for early spring color. Once the weather starts to get colder and your trees go dormant, this is the time to prune. So give us a call if you need to neaten up any of your greenery this winter

LOOKING FORWARD

Now is the time of year to start thinking about next year's growing season. This includes cutting back all your perennials, getting rid of pesky weeds, and putting your gardens to bed. You're in luck because we do all of this! Shoot us an email or call and we would be happy to help.

With winter coming it's also time to think forward for indoor renovations. We do interior design as well! Be it painting, staging, indoor plant installs, art installation, or just design planning- we are here for all your interior needs! Get on the calendar to get your indoor spaces looking as lovely as the outdoors! Thank you all again for the continued love and support.
